

# Assemblin strengthens its capacity in northern Sweden through an acquisition

Press release  
2 February 2026 at 14:15 CET

**Assemblin Ventilation acquires Rosendahl Ögrens Kyl och Energi AB, thereby strengthening its delivery capacity in Umeå, Sweden, and the surrounding area. The acquired company has annual sales of approximately SEK 13 million and eight employees.**

Rosendahl Ögrens Kyl och Energi AB was founded in 2017 and is headquartered in Umeå. The company offers both installation and service assignments, primarily within cooling, heat pumps and energy. The customer base consists of private individuals, municipalities, private property companies and grocery stores.

“Rosendahl Ögrens Kyl och Energi is a well-run company with strong expertise, that complements our existing operations in northern Sweden both geographically and in terms of competence. We are very pleased about this acquisition, and together we become a stronger partner with a broader offering in a region with good conditions for growth”, says **Håkan Ekvall**, CEO Assemblin Ventilation, EVP.

“We are proud of the business we have built, but becoming part of Assemblin is a logical step that means we can continue to develop and expand. This will be positive for both customers and employees, and we look forward to working together in the future”, says **Andreas Rosendahl**, Rosendahl Ögrens Kyl och Energi AB.
