

Assemblin strengthens its position in Stockholm through the acquisition of BT EI

Press release
6 October 2026 at 08:00 CET

BT EI was founded in 1987 and offers a complete range of services within electrical installations, telecom and data networks, as well as the installation and service of fire and evacuation systems. The company is based in Västberga and carries out assignments across the Greater Stockholm area. Its customer base includes both private and public sector customers, primarily within healthcare, public transport, construction, real estate, and manufacturing.

“BT EI is a well-reputed company with strong expertise and extensive experience. The acquisition strengthens our presence in a strategically important market and broadens our offering in several areas where demand remains high. We are very pleased to welcome BT EI’s employees and customers to Assemblin,” says **Jonas Klarén**, CEO Assemblin Electrical, SVP.

“Becoming part of Assemblin is a natural next step for BT EI. By combining our expertise and entrepreneurial spirit with Assemblin’s resources and broad offering, we create even stronger opportunities for our customers and employees. We look forward to continuing to develop the business together,” says Johanna Blom, CEO and co-owner of BT EI.
